

III-4.00 - POLICY ON UNDERGRADUATE ADMISSIONS

Subject	Year Courses
---------	--------------

Biological and Physical Sciences
 The courses completed must be in at least two different subject areas. Two of the three courses must include a laboratory experience. For students interested in Science, Technology, Engineering or Mathematics (STEM) related careers (such as medicine, engineering, the sciences, veterinary medicine,

B. Early Admission

Early admission may be granted to a high school student who has demonstrated superior scholarship, as evidenced by the student's academic record or performance on standardized entrance examinations. The expectation is that the student will earn a high school diploma or equivalent. Each institution that offers early admission shall publish its procedures.

C. Admission of Students from Non-accredited/Non-approved High Schools

First year incoming applicants for admission who are graduates of non-accredited/non-approved high schools will be reviewed individually, with consideration given to factors such as scores on nationally standardized tests, high school course content, performance in high school academic courses, the performance of previous students with similar academic preparation, and other appropriate criteria as developed by each institution.

D. Admission of Students with Non-U.S. Records

Students who have completed part or all of their secondary and/or post-secondary education

- G. Admission of Students Who Have Been Out of School More Than Three Years Students who have earned a high school diploma (or equivalent) with a minimum GPA equivalent to a C or better, but who are more than three years beyond high school enrollment, may be admitted without meeting the usual criteria for admission if the institution determines that the applicant

transfer programs, updated on a regular basis, shall be available to potential transfer students to serve

B. Maintenance of Records

Each USM institution shall maintain in each enrolled student's record evidence that minimum criteria for admission have been met. In those instances when a student has been admitted under exceptions to existing institutional policies, the institution shall retain an explanation of those exceptions and a record of the student's academic success in collegiate credit-bearing courses. The record shall contain a note as to the specific requirements for which the exception was made, for example, minimum GPA, lack of standardized test scores, or demonstration of competency in the required courses.

C. Application Fee

Each USM constituent institution in the University System of Maryland may assess a non-
